We laugh and we cry at a large view of what makes a school right—and sometimes wrong—for us. See Elmhurst as we seniors saw it. Some were happy, ordinary events; some were momentous occasions. Ah, yes, and some were sad!

## *GUS Club*

Lloyd Hyde, president; Katherine Platt, secretary; Jim Gast, vice-president; Guy Foltz, treasurer

The GUS Club, sponsored by Mr. John Arnold, takes various field trips to public institutions each year for the benefit of gaining a better understanding of our government and social problems. This year the club consists of one hundred and thirty students. Mr. Arnold, at the end of the second semester, presents keys to the following students: one key to each student excelling in government, U. S. history, sociology and to the student who has made the most improvement during the year. A key is also presented to one student for outstanding leadership in social studies: this student is also honored by having his name engraved on a beautiful trophy, along with the names of those who have excelled in past years.

## *Phi-Chem Club*

Phil Snider, vice-president; David Montgomery, president; Anita Roser, secretary-treasurer

Members of Miss Ruth Wimmer's chemistry classes and Mr. Floyd Middleton's physics class either past or present make up the Phi-Chem Club.

The club is a very active one. The central idea of the club is to promote a more wholesome interest in science.

The members go to science meets and science fairs. The club as a group or individuals may enter projects in the science fairs. The main activity of the club is its field trips when the members tour local factories. The Phi-Chem Club also operates the coke machines in the cafeteria and sells coke at the basketball games. The club uses the proceeds to finance its college scholarship program.

## *G. A. A.*

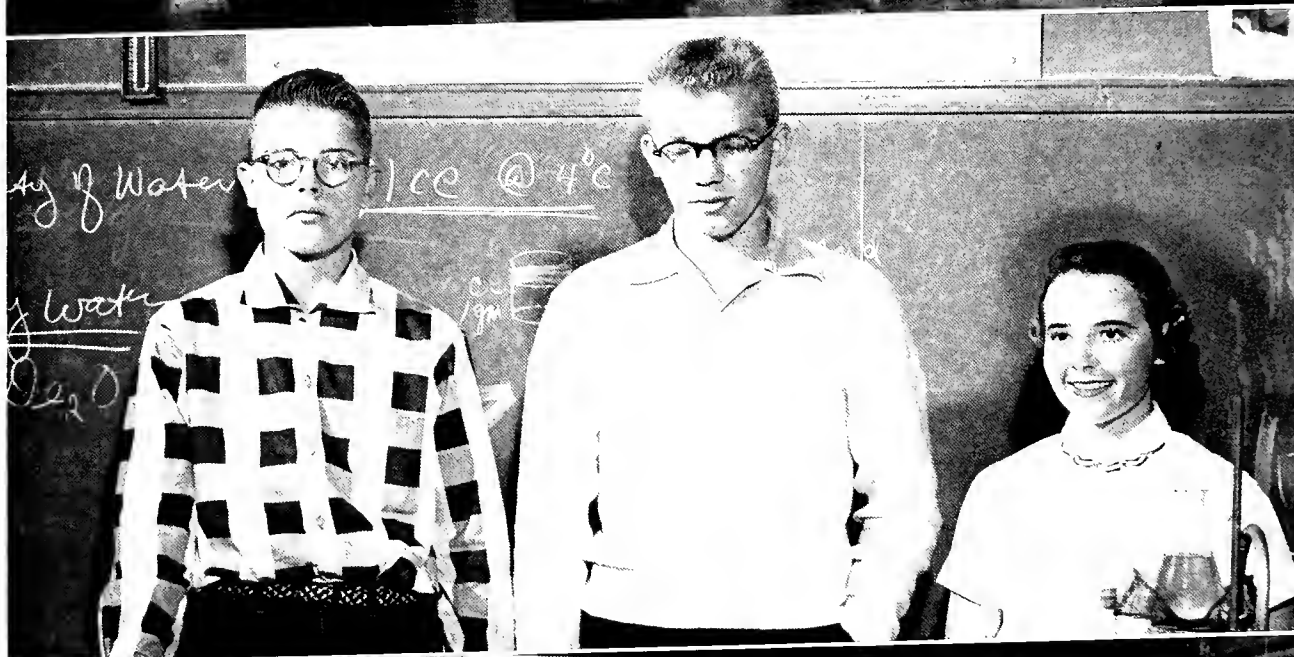

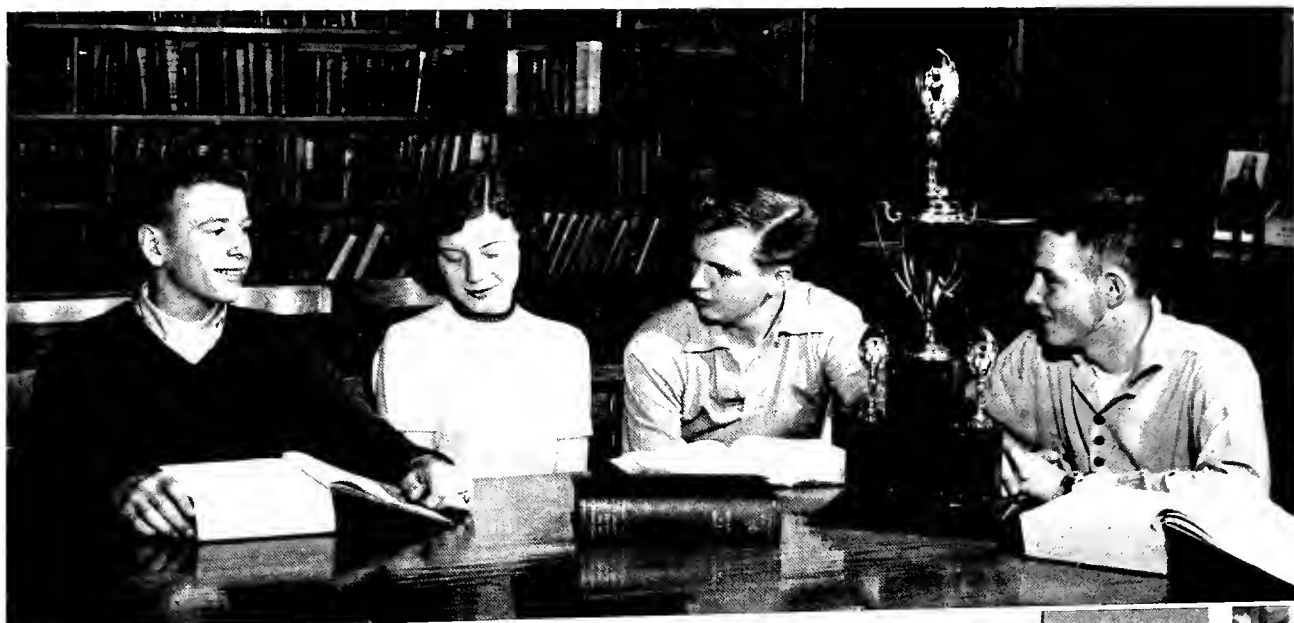

Carol Ice, organized sports; Marilyn Schoenemann, president; Mildred Schmidt, treasurer; Linda Schoenemann, secretary; Andrea Smith, unorganized sports; Anita Zander, vice-president

The Girls' Athletic Association, under the leadership of Miss Violet Wolfe, has been setting a lively pace this year.

Each Monday, Tuesday, and Thursday afternoon, these girls could be found participating in such sports as softball, volleyball, and basketball.

Unorganized sports such as bowling, swimming, hiking, ice skating and roller skating keep these girls busy outside of school.

A total of 250 points earns a letter. A letter may be earned by participating in unorganized and organized sports. Plaques are also awarded after a total of 350 points have been compiled. It takes approximately two and a half years to earn a letter.

## *Main ADVANCE Staff*

*Seated:* Phyllis Spahr, point keeper; Marilyn Delancey, make-up; Anita Roser, news editor; Barbara May, editor-in-chief; Carole Vanderipe, feature editor

*Standing:* Tom Strubbe, assistant advertising manager; David Kissinger, circulation manager; Lloyd Hyde, sports editor; Sandra Kellerman, chief copyreader; Tom Gebhart, advertising manager; Larry Stults, business manager; Katherine Platt, head typist

Under the leadership of Mrs. Mildred Hibben and Mr. Don Fryback, the members of the *ADVANCE* staff rush madly to meet the monthly deadline. Mrs. Hibben is in charge of the editorial staff while Mr. Fryback keeps the business side of the paper under control. Members of the staff who have earned 1000 points receive E's at an annual banquet which is held in the spring. Juniors and seniors who are in the upper third of their class and who have served the *ADVANCE* well receive pins from Quill and Scroll, a national honorary journalistic society.

## *Nature Club*

Penny Null, treasurer; Diane Redding, secretary; Beverly McMullen, vice-president; Jenny Crance, president

Interested in the study of nature? If so, the Nature Club is the club for you to participate in. This club consists of students who have taken or who are taking biology; it is sponsored by Mrs. Lenora Simon Bleke.

The schedule of the Nature Club this year has been varied and interesting. It included such activities as a roller skating party, Audubon screen tours, several field trips and the regular school and evening meetings.

To gain an E in the Nature Club 225 points are required. These may be gained by taking part in the various activities mentioned. An additional 100 points are needed to earn a pin.

## *Home Ec Club*

Janet Donahue, secretary-treasurer; Carolyn Eickhoff, president; Carolyn Meyers, student adviser; Nancy Weyrick, vice-president

Mrs. Marion Deahl is the sponsor of the Home Ec Club. The girls began this year by selling stationery to make money for the awards to be presented.

They concluded the 1955-56 year with their traditional mother and daughter banquet. Letters and awards were presented to the girls who had earned them during the year. Senior girls belonging to the club for four years received silver thimbles.

The officers for this year are: Ed Davison, president first semester; Penny Null, president second semester; John Raney, secretary; and Liz Wingett, treasurer.

## *Speech Club and N. F. L.*

Dave Smith, vice-president of Speech Club; Jim Gast, treasurer of N. F. L.; Lorene Scherer, president of Speech Club; Kenny Stevenson, secretary of N. F. L.; Howard Hamilton, vice-president of N. F. L.; Anita Roser, secretary of Speech Club and president of N. F. L.; Janet Grote, treasurer of Speech Club

The Speech Club and the Elmhurst Chapter of the National Forensic League have Mr. Kent Kurtz as their sponsor. Mainly, members of these clubs take part in district speech and debate contests. Members traveled to speech contests at Howe Military School, Peru, Purdue, Ball State, Kokomo, and Columbia City. On February 18 of this year, Elmhurst played host for one of these speech contests. The newly established debate team has been making a fine showing at debate contests. This year the debaters have participated in around fifty of these contests. The members also are in charge of making announcements over the P. A. This year there were forty-two members in Speech Club (mostly freshmen and sophomores). Sixteen of these also have earned membership into the N. F. L. All these activities help improve the speech-making ability of the student.

## *Magazine Campaign*

*Front Row:* Donna Jean Zelt, \$107.00; Carolyn Eickhoff, \$73.75; Anna Bodigan, \$104.00; Susie Littler, \$74.75

The magazine sales for this year amounted to \$7500. The Trojans fell short of their goal of \$9000. The high salesman was Harvey Adams with \$170.50. The next highest salesmen were Bruce Ewing, Donna Jean Zelt, Anna Bodigan, Jim McCoy, Robin Miller, Tex Roof, Susie Littler, Carolyn Eickhoff, and Tom Dominy. This year each home room which sold its quota and had 100 per cent participation in the campaign had a party. Those who had parties were home rooms 14, 16, 25, and 19. The money received from the magazine campaign pays for the assembly programs that the student body enjoys throughout the year. The magazine campaign is sponsored by Mr. Charles Eickhoff.

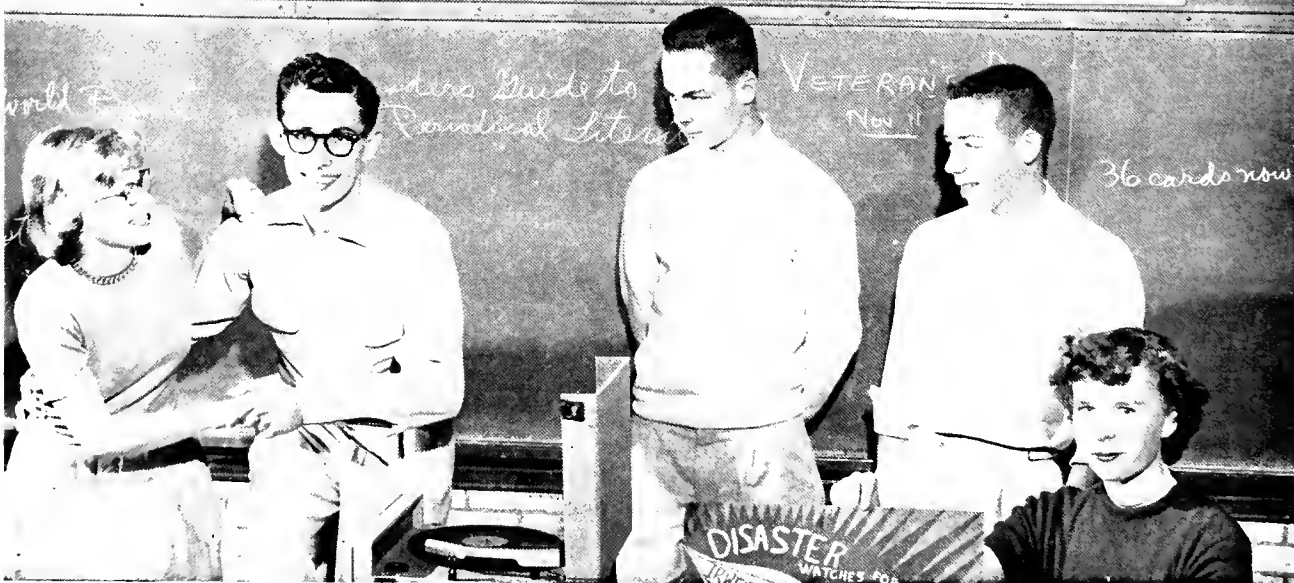

## *Red Cross Club*

Barbara May, vice-president; Larry Blair, president; Skip Moon, secretary; Tom Strubbe, treasurer; Marcia Sprague, head monitor

The Red Cross Club, whose sponsor is Miss Ruth Wimmer, boasts a membership of ninety-five per cent of the school enrollment this year.

The club is directed by a council consisting of Larry Blair, Lorene Scherer, Sue McSwane, Tom Strubbe, Betty Hursh, Skip Moon, Betsy Engelman, Carolyn Doppelt, Anita Roser, Kenny Stevenson, Phil Letsinger, Clarice Long, Paul Justus, and Albert Askerberg. The club this year put on a talent show for the school and the V. A. Hospital.

## *Projectionist Club*

*Front Row:* Ted Huyette, Harry Grepke, Charles Flaugh, Robert Schmitt, Richard Cress, David Smith

*Middle Row:* Charles Kelley, Paul Justus, Kenneth Bly, Don Schoolcraft, Orlon Meyer, David Masel, James Springer, Douglas Munson

*Back Row:* Jerry Nahrwold, Philip Snider, David Inman, Richard Jett, Charles Wire, Jim Schinbechler, Orville Anderson, Mr. Middleton

The students and faculty here at Elmhurst greatly benefit from the movies, record players, slide films, tape recorders, and public address system operated by the Projectionist Club. The sponsor of this club, which consists of about twenty members, is Mr. Floyd Middleton. Each projectionist works toward receiving a pin, which is given for fifty projections, and then works toward a letter which is given for one hundred projections. Each projectionist can receive three more pins for up to two hundred and fifty projections if he progresses that far. Any responsible male high school student with average grades may become a member of the Projectionist Club.

## *Commercial Club*

Anita Roser, president; Marilyn Schoenemann, vice-president; Tom Gebhart, treasurer; Shirley Madden, secretary

Students interested in business as a career and who attend bookkeeping, typing, and shorthand classes are members of the Commercial Club. This organization, one of the largest at E.H.S., is sponsored by Miss Ural Edwards and Mrs. Marcella Goble.

The highlight of the year is the annual spring banquet. Award tests are given throughout the year in typing and shorthand. At the banquet, the highest award that a member has earned during the year in typing and shorthand is presented. Special awards are also given to outstanding students in bookkeeping, typing, and shorthand. The officers for the following year are also announced at the banquet.

## *Dramatics Class*

*Standing:* Dave Smith, Larry Boroff, Jim Gast, Chuck Weisenburger, Pete Eckrich, Carol Meshberger, Janet Grote

*Seated:* Elaine Fulghum, Pat Inman, Janet Donahue, Carol Beck, Elsie Allmandinger

"Ouch! Oh!" "Scream louder!" "Oh, come on, you're supposed to be in love with the girl!" These are just a few of the exclamations frequently heard drifting from the Dramatics Class. The Dramatics Class was originated to help students gain appreciation of drama and to offer them a specific phase of speech training.

Mr. Kent Kurtz, sponsor of the class, helps the students participate in such activities as pantomimes, skits, impersonations, declamations and plays. Another activity of the class this year has been the construction of scenery for the new stage.

This year the productions of the Dramatics Class included the traditional Christmas program, a one-act play for the student body titled "Paul Wrecks the Family Car," and a three-act play presented for the public on April 13.

# *We Laugh*

Red and Grey Reserves won first game played in new gym November 17. We beat Central on November 23! We like our Trojan head (See p. 67). Varsity and Reserves win acclaim for being the ten best dressed men. We were hosts at the Holiday Tournament. Congratulations, Sims, for being on All-County Team. In the Sectional Tourney the Trojan Five upset the Harlan Hawks in the semi-finals. Scribner wins trophy for being on All-Sectional Team. Seniors win Class Tourney. Bless the radio announcer's, "No school today"!

# *We Cry*

We lost to South Side in the Sectional Tourney. The Varsity lost to C.C. the first game played in our new gym on November 17. Our Booster Club shirts have to be drycleaned—boo hoo! Stauffer was hospitalized after the Lafayette Central game. The assemblies have been few and far between. No sock hops! Our new parking lot was a frozen waste in the winter and a washout in spring.

The Booster Club had many changes this year. Its new reversible red and white pep shirts added a lot to the tournaments. The club's sponsor is Mr. Elden Stoops. For the first time in its history, the Booster Club opened its membership to freshmen as well as the usual sophomores, juniors and seniors. On the whole, our Booster Club helped start the true Trojan spirit in the new gym at all our home games. Due to the new developments, Booster Club is sure to become bigger and better.

The Elmhurst Trojans finished their 1955 baseball season as runners-up in Allen County. Under the guidance of Coach Don Fryback, the Trojans compiled an impressive five wins and two losses record. Their only two losses were to Harlan in the first game of the season and to Monroeville in the final game of the Allen County Baseball Championship. The batting crown this year went to Bill Stauffer, who held a .444 average. Other top individual batting averages were: Richard Garland, .400; John Skinner, .384; Jim Dowty, .353; James Lattimore, .333.

## *Rifle Club*

*Front Row:* Jim Hitzeman, vice-president; Ronny Maloney, team captain; Linda Sheddick, treasurer; Pete Eckrich, president; Don Perl, secretary

*Back Row:* Mr. Reed, Edith Biddle, Frank Goldsmith, Charles Eickhoff, Jr., Kurt Eckrich, Boh Schmitt

The Elmhurst Junior Rifle Club, under the supervision of Mr. N. Ray Reed, has in the past year reaped many laurels in the climb for recognition as one of the most active clubs at Elmhurst. The five rifle team members seated in the front row of the photograph have received their distinguished medals, the highest honor in the National Rifle Association.

The team has won 4 and lost 1 in regular matches. Culver has inflicted our only loss. In the State Match, the rifle team placed fourth; the prone team placed third. Our standing team placed first in the state. As individuals, Sheddick placed 7 in the state; Eckrich placed 13; Perl placed 16; Maloney, 17. Linda Sheddick also placed 5 in her individual prone and 4 standing. Maloney placed second in state standing.

## Reserve Season

The 1955-56 reserve team wound up with an impressive record of ten wins against six defeats. The Reserves looked particularly good when they defeated North Side and Central Catholic. Central's Reserves squeezed by the Trojans by only one point. The leading point makers for the Reserves were all balanced scorers; and although they lacked height, they made up for it in true fighting spirit, which marked many a successful rally. The team is mostly freshmen and sophomores. This fact makes the future bright for Elmhurst having a county crown soon.

## Varsity Season

Although the Men of Troy won only six games all season, they came back strong near the end and lost the last two by only one point. When the Sectional came up, the roster held six seniors, five sophomores and a freshman. For the first time in twenty-five years, the Trojans went to the final game of the Sectionals. Half of this great tourney team will be back next year and should give their opponents some rough going.
